Dear Parents,

Thank you for your interest in enrolling your child at United Christian Academy. UCA is a comprehensive K-12 Christian school built upon the Classical Christian School model. Our program involves an intense academic program coupled with vibrant spirituality. Issues of faith and Christian values are incorporated into every aspect of our school program.

Our expectation is that students at UCA will come from families that are actively involved in a local church and that they understand and agree with the basic Christian doctrines that are taught at the Academy. Our goal is to provide our students with a rigorous academic program and to lead them into a saving relationship with Jesus Christ. Frankly, this separates UCA from other private schools and means that our program is not for everyone. Please consider these issues carefully when you apply for admission.

I have enclosed an application form for your use. Please fill it out and return it to the school with your non-refundable \$50 application fee per student, which will begin the application process.

Students applying to UCA must meet the following criteria before full admission is granted.

1. Students at all grade levels must be tested to determine their proper academic placement.
2. Families will be asked to meet with the Headmaster, or the Admissions committee for a personal interview.
3. A complete copy of all records: academic, behavioral, health (physical & immunization) must be on file in the UCA office.
4. A signed Statement of Agreement and Financial Obligation Contract must be on file.
5. Students in grades 7-12 must meet with the Headmaster for a pre-admission interview once the student has completed and returned the Student Interview Sheet for Grades 7-12.
6. A pastoral recommendation form must be completed and returned by your pastor.

Please feel free to call the school if you have any questions in this regard. We look forward to hearing from you.

Sincerely,

Richard E. O'Hara, Th. D.  
Headmaster
